

DIRECTIONS TO LIVINGSTONE ESTATES HEAD OFFICE

From the airport take the Toll Road which brings you directly to Marbella.

Continue along the toll road past Marbella. When you come to signs for Algeciras, at this point do not continue on the toll road. Take the N340 towards Estepona.

Pass Puerto Banus and continue through the town of San Pedro de Alcántara. Upon leaving San Pedro de Alcántara you will see a big arch over main road with the word “Marbella”. Now continue for approx 5 kms.

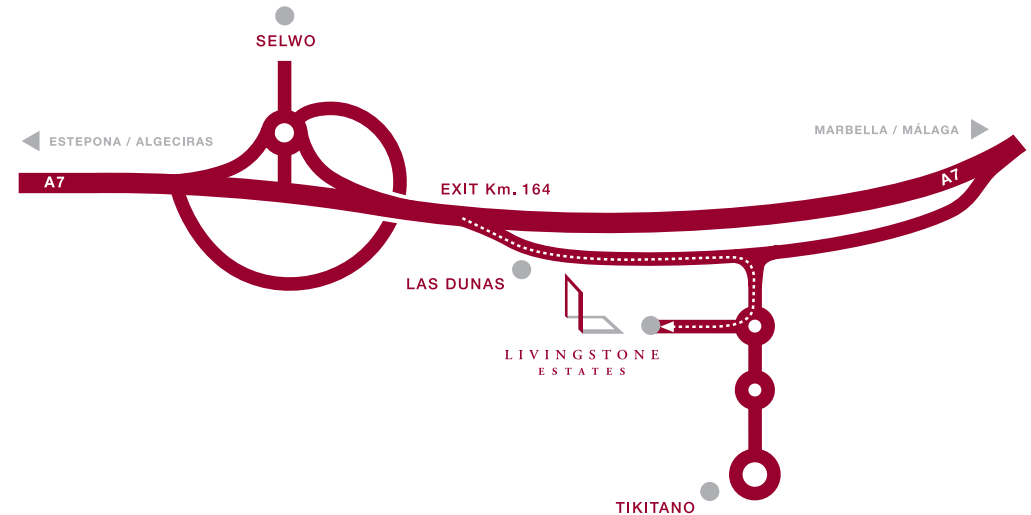

Do not leave the main road after San Pedro. Pass the exit for Benahavis and continue. After a while you will pass the exit for Cancelada. After this exit, look for a footbridge over the road and here you will be able to see the complex on the opposite site of the road to your left - The dark red and dark mustard coloured buildings. Continue past the complex to the next exit.

You are nearly there!!!

You will see signs for Selwo Adventure Park and Las Dunas Hotel – exit 163.5km - to your right. you need to take this exit, which is fairly sharp. Follow these signs which will take you down through the underpass (under the N340) and back onto N340 now in the direction east towards Marbella.

Back on the main road you will pass the Repsol petrol station on your right. Continue to follow the signs for Las Dunas Hotel, which will take you onto the next slip road parallel to the main N340 which you leave to your left. Pass the entrance to the Hotel. You will see the buildings on your right, continue on the slip road until you see a sign “Guadalmansa Playa“. Take the right here and directly right again on this roundabout.

The Livingstone Estates office is on your left hand side.
